

“Winning the LafargeHolcim Awards triggered numerous invitations to present my work”

Design competitions boost projects, careers, and networking opportunities. Be part of the 6th International LafargeHolcim Awards for exemplary projects and visionary concepts in sustainable construction. Prize money totals USD 2 million.

Independent expert juries evaluate submissions from architecture, engineering, urban planning, materials science, construction technology, and related fields using the “target issues” for sustainable construction of the LafargeHolcim Foundation.
